Pastor's Corner

“Let the heavens be glad, and let the earth rejoice, and let them say among the nations, “The Lord reigns!” (1 Chronicles 16:31)

Oh, these times are uncertain. I know they are. And that's why I am speaking nothing but a word of HOPE! The Psalmist said, ***“Why are you cast down, O my soul, and why are you in turmoil within me? Hope in God; for I shall again praise him, my salvation and my God.”*** (Ps. 42:11) Throughout all the history of mankind, there has at one time or another been periods of dreariness, darkness, and despair.

I've read recently that the last time things were this bad for the United States was World War II. And we made it through that. No, all were not left unscathed, just as in this time of ours now, it's a forgone conclusion that there is suffering and even death. I really take to heart the fact that you nor I am at fault...

And so we speak of our hope! In the Old Testament there was a lot of hoping for the coming of a Savior from God who would rescue mankind from sin, death, and the devil. Then, it was kind of shaky too whether man was doing the right thing – slaughtering goats and bulls – all to receive the forgiveness of sins. There seemingly was not a time one could feel secure (albeit God had sworn a covenant with man, through the spilling of blood,) but man wasn't quite sure.

So it is today. Doubt, weariness, and the feelings of hope slipping from our grasp can and will occur. But take heart! THERE IS HOPE! Hope has not been quarantined! Hope has NOT been cancelled or postponed or set aside for the time being... We have hope! A hope only through and from our Lord and risen Savior Jesus Christ! It is by faith we are saved. It is by faith in the very Word of God, that through Christ we too will see the kingdom of Him who created us. I share the sentiments of what St. Paul wrote to the Romans,

“For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience. Rejoice in hope, be patient in tribulation, be constant in prayer.” (Romans 8:24-25; 12:12)

I can't wait to see you all in church. Soon!

Pastor Phil Rittner

COUNCIL MEETING

No Council Meeting was held due to COVID 19

Board of Outreach was able to have a meeting before the Shelter in Place order was given, this is what they advised me was the outcome of the meeting;

FEB 2020-Board of Outreach met today. We discussed the current drive to collect nonfood items for the local food pantries. We then discussed the possibility of our next drive being for Hope, who recently visited Zion. Kim will look into what types of items they might need. We also discussed the need for someone to check the AED device on a regular basis. Kim spoke with Nikki who agreed to do this. She checked and it works fine but needs to new pads as the pediatric pads have expired and the others will in October. There being no further business the meeting adjourned.

MAR 2020- Board of Outreach- In attendance was Kim Yann, Pat Decker, and Betty Wilkinson. Nikki Harris checked the pages on the AED and the peds ones were expired with the adult pads expiring in October. Kim will work on ordering new ones. Pat Decker will take the nonfood donations to the food pantry at Living Water. Pastor had suggested a potluck but since there will be a potato bar on Palm Sunday and the breakfast on Easter the board decided to wait till the May meeting to schedule one. We talked about collecting for Hope but the congregation has decided to do this. We also discussed bringing back coffee hour in the fall, maybe just once a month or try for a month and see about attendance. Meeting adjourned. Next meeting is scheduled for May 5th.

Congratulations NICE GOING!
GREAT! Way to Go!

JADA BURTON & RHONDA FREEMAN!

Just in case you missed it on FW NBC33!

FORT WAYNE, Ind. (Fort Wayne's NBC) - A Concordia Lutheran High School student is doing good things to help the community by working to protect people in assisted living homes.

Concordia Lutheran High School Sophomore, Jada Burton says, "I got the idea when my mom told me that the place she worked at didn't have enough masks, so I brought it upon myself to figure out how to get more masks, and I had the idea of making masks." Jada Burton is a sophomore at Concordia Lutheran High School. Her, her grandma, and grandpa have been working the last few weeks to protect those in assisted living homes like Lutheran Life Villages on the north side of Fort Wayne.

"We already had the fabric at home. It was 100% cotton fabric," says Burton.

They combined the fabric with elastic pieces to construct the masks. She says it takes about ten minutes to make one.

"You need a nice rectangular square of material," says Burton. "You will need two different blocks of material that will be sewed together with the elastic to go around your ears, and then you need to iron it, and then pleat it about two times, and that will be enough for one mask."

She started early this month, and has made around 450 with the help of her grandma and grandpa. They have since run out of elastic, and she says they can't find any at local stores because of the demand with others doing similar things. The biggest reward comes when she gives the masks to people who need them.

Burton says, "Some people just take the masks and say, 'Thank you.' But a lot give us hugs even though the six feet rule, but we try to stay as far away from each other and try to give each other a good pat on the back for our help with them."

She says she wants to make another 450 more if they can get the materials to do it.

On March 31st you all received a handwritten card from Mission 25 (formerly Lighthouse):

Zion Lutheran,

I just wanted you to know that your congregation has been prayed for this morning. I believe God is bigger and He will sustain all of us during the most trying of times. May you feel comfort in knowing that he still sits on the Throne and He will reveal Himself in Mighty Ways! I pray

that all your needs are met for your church and that your congregation remain healthy and faithful! Thank you for caring for Mission 25 in the past and recent of times. We value our relationship with Zion! I just simply wanted you to know that your church is being prayed for!

Blessings!

Shawn Ellis

The Board of Outreach would like to send their sincere appreciation to all who donated to the NON food drive. The items were delivered to the food pantry at Living Water and they were very appreciative! Thanks for being such a generous congregation.

Kim Yann

You can drop off your offering in your envelopes in our mailbox-it is locked and only the secretary can get into it- you can mail in your offering or you can always donate online:

Our church now offers **Online Giving**, a web-based electronic contribution application. We are providing this service so that you have the option to manage your contributions online or with your offering envelopes. Our offering envelopes will have a check box which will indicate "I've given online," you can use them to present during offertory at worship. This will start with the April Offering Envelopes. In the meantime, if you want to present an envelope during the offering, you can write, "I've given online."

This service is safe and secure. And it is convenient for you. Sign up for Online Giving by visiting our church website at **www.zionlutherancc.com** and select the Online Giving link or **scan this QR code**.

FYI: Some of your offering envelopes have specific programs that if you use them, your offering will go to that program. (VBS, Maintenance, Cushions, etc.) If you don't want your offering to fund that program, then mark it out and write general offering or whatever program that you may want to fund.
