LENT 2020

I recently read a wonderful article from **The Reporter**, an official magazine of the Lutheran Church-Missouri Synod. The author, Dr. Gregory J. Wismar, retired from the Office of Holy Ministry several years ago. But his words warmly speak truths of the season of Lent, which we have begun here at Zion in 2020.

I'll post some excerpts of the article with you:

Keeping a Holy Lent

What is the holiest season of the Church Year?

Perhaps that seems an inappropriate question. After all, each season in the annual cycle we observe has its distinct spiritual character. There is the anticipation of Advent, the glorious rejoicing of Christmas, the exuberant triumph of Easter, and the resounding power of Pentecost. But what season invites us more than any other to a repentant reflecting, to a changing of the patterns of our lives, to a new dimension of devotion? That season is Lent, the period of preparation for the celebration of the resurrection of our Lord on Easter Day.

Each year on Ash Wednesday, the first day of Lent, the liturgy of the Church calls us to begin “a holy season of prayerful and penitential reflection,” when “our attention is especially directed to the holy sufferings and death of our Lord Jesus Christ.”

The words used in the Ash Wednesday rite of the **Lutheran Service Book Agenda** also remind us that *“from ancient times the season of Lent has been kept as a time of special devotion, self-denial, and humble repentance born of a faithful heart that dwells confidently on His Word and draws from it life and hope.”*

The idea of the special nature of the 40 days [of Lent] is reflected in the English word quarantine, which has come to connote a time of separation from, and special attention to, the daily sequence of activity for the restoration of health and well-being. For Christians in previous centuries, the quarantine of the 40 days of Lent included going without regular meals for a period of time. That custom is still observed in various parts of Christendom today.

Another spiritual dynamic of Lent is that it is a time to keep the silence in reflection and devotion. The language of Lent is purposefully quieted. The word alleluia is not used as an expression of praise in Lent. Our vocal and instrumental music is reflective and subdued. Purple, the liturgical color customarily appointed for Lent, is the “quietest” of the colors used throughout the church year and is associated with penitence and sorrow.

In many churches, the crosses, crucifixes, and other religious artwork is “veiled”—covered with a transparent cloth throughout the 40 days to mute their brilliance and to add a solemn tone to the worship space. In some places, families also cover religious paintings and wall hangings

in their homes.

Times of silence for personal reflection and prayer before individual or family devotions have special meaning in Lent. The words of one of the great Lutheran hymns of Lent serve as a call to an extra measure of devotion and prayer: “Jesus, I will ponder now / On Your holy Passion; / With Your Spirit me endow / For such meditation” (**LSB 440, LW 109, TLH 140**).

Today, establishing a proper setting for such reflection in our fast-paced and noisy world may take extra determination. Finding that place and observing that time, however, is another central component of the discipline of the holy season of Lent and is more than worth the effort.

The days and weeks of Lent call us to keep the focus of our lives of faith on Jesus, our Lord, and to learn more of Him and His loving plan of salvation for us. One of the classic hymn stanzas of the Lutheran church portrays that proper focus in this petition to the Lord:

*On my heart imprint Your image,
Blessed Jesus, King of grace,
That life's riches, cares, and pleasures
Never may Your work erase;
Let the clear inscription be:
Jesus, crucified for me,
Is my life, my hope's foundation,
And my glory and salvation!*

—**LSB 422, LW 100, TLH 179**

I pray that as each of you enter this penitential season of Lent, remembering to keep the focus of this season in the Church Year, it becomes a “fuller and more meaningful season.”

“Let us pray that our dear Father in heaven, for the sake of His beloved Son and in the power of His Holy Spirit, might richly bless this Lententide for us so that we may come to Easter with glad hearts and keep the feast in sincerity and truth.”

See you in church, soon!

Trustees:

On January 18, 2020, Pastor met with a professional stained-glass artisan from Michigan who I'd invited to look at our stained-glass windows and determine, if any, they needed regarding care. After a thorough examination, he said he wasn't the one person we needed. Our windows are all perfectly sound (he said they were exceptionally made and should last forever!) However, the framework surrounding our windows needs some TLC.

- a. A thorough scraping and cleaning, then priming and repainting the interior frames ought to be done.
- b. The exterior framing too needs replacing some trim and repainting them as well.
- c. Some form of an exterior ‘storm window’ ought to be installed (none exists).

The Sanctuary audio cabinet received a complete overhaul by AVDI, Inc. Many of the outdated and malfunctioning items were removed and replaced with new equipment. It was then checked, and ‘tuned’ to a degree we ourselves could make final sound checks. The only equipment left in place was our two DVD/CD players.

The elevator has been greased and should continue to service us for a bit.

1. Our Vicarage Application was approved by the Indiana District and sent to CTSFW.
 - a. Pastor's anticipated 'retirement' is August 1, 2020.
 - b. Vicar Assignment Service will be April 28, 2020 at CTSFW Chapel.
2. There's a need to go through the Secretary's Office and sort/destroy/file numerous items.
 - a. Who should do it?

We need to organize a work day at the church in order to take care of the needed repairs to do around the church and get some cleaning done. Organization is a must for this! Jill and Scott will work to get this organized.

With regard to the records that need to be retained and the rest will need to be shredded. Shred-it holds an event in the Spring and Fall (May and September?) so we will need to do this before then. Chuck will get the dates of the Shred-it event and we can shred 5 boxes per car for free. It may be worth it to hire Shred-it to do it in one trip. These options will be looked into for the next Church Council meeting.

3. Our church. There are many items that need to be looked at and addressed as needing to be repaired. Discussion was held regarding this and will continue so that we can ensure that our church building will endure for many generations to come. Our congregation is aging and we need to ensure that we are able to meet the needs of our members now and in the future.
4. We need to address our church's security for during the week and during the worship service. Numerous times we have people coming in during the week demanding cash when our secretary or pastor are here alone. Currently we have a doorbell in place, but is it enough? What about Sunday morning?
 - a. There are several options we ought to consider:
 - i. Self-installation of a few cameras and monitoring doors and prominent places of the church (using such as Ring, etc. Other monitoring systems are available)
 - ii. Profession installation of security measures.
 - iii. There are recommended security measures we should take as prepared by both our property insurance company and the Fort Wayne Police Department.
 - iv. Should the Church Council venture to do these items, or might we form a small committee to bring suggestions before the Council/Voter's?
 - v. Police departments and our insurance company recommend that once the service starts, all doors should be locked with one door remaining unlocked AND monitored.

This is a discussion that MUST be had and will continue during into the future.

Chuck Cooper recommended to form a small group to look at ideas and recommendations for the church security and safety to bring recommendations to the Church Council.

Unfinished/Old Business:

Pastor requested an update from the Indiana District Office on the status of the new Constitution.

New Business:

With no further business, Jill Coons made a motion to adjourn. Chuck Cooper seconded. The motion carried.

Pastor Rittner closed with the Lord's Prayer.

Respectfully submitted,
Katherine (Katie) Rittner, Recording Secretary

Sunday School SCOOP

The Lenten season was to begin Wednesday February 26th, however mother nature chose otherwise. Wednesdays thereafter should be at 7pm until Palm Sunday. The board of Christian Education is sponsoring a Palm Sunday potato bar and potluck on April 5th after worship service. The spuds and toppings will be provided. Congregational members are asked to bring salads and desserts, as well as family and friends.

LADIES AID

The month has brought a few good and bad items of news. The good: Marty Williams is back & sewing regularly. We missed her help putting the pads together. The bad: Carolyn Kelsey fell, cracked a vertebra in her neck and is in a neck - head brace so will be unable to sew for another 6 or more weeks. Missing you!

WE are still collecting the cancelled postage stamps for missions. Place them in box across from the mailboxes. Trim them to 1/4 " or we will gladly trim them for you. Thank you for helping with this mission project.

Some of the sewing ladies continue to bring inspiration and humorous items to share. WE share such good fellowship as we work together.

Easter cards will be sent to all the sick and shut ins.

WE continue to" SERVE WITH GLADNESS"

People are like stained glass window: they sparkle and shine when the sun is out, but when the darkness sets in their true beauty is revealed only if there is a light within."..Ross
